REPORT NO. 04-237

ATTENTION: Public Safety and Neighborhood Services Committee  
Agenda of November 17, 2004

SUBJECT: Public Safety Review

SUMMARY

THIS IS AN INFORMATION ITEM ONLY. NO ACTION IS REQUIRED ON THE PART OF THE COMMITTEE OR THE CITY COUNCIL.

BACKGROUND

San Diego Fire-Rescue would like to acknowledge the proactive approach taken by the Public Safety and Neighborhood Services (PS&NS) Committee over the past two years to begin reviewing and understanding the complex needs of our Department. The review that began January 2003 helped us create a Department Needs Assessment that was beneficial to all of us following the unexpected Cedar Fire Incident in October 2003. Through this Committee's efforts, a plan was established to begin resolving the under funding issues and basic equipment needs critical for the operations of our Department.
